IMPORTANT SALE.

The Palais Royal was fortunate in securing, at bargain prices, all broken lots and surplus stock of one of the leading manufacturers of fine cotton underwear. The stock comprises 1,321 garments. In the ordinary course of trade 1,321 garments would constitute a week's business, but we sincerely state we doubt if the lot wil last the entire week.

Underwear At Half Price

Ladies who know how to appreciate really fine under wear will better understand when they see the garments and note the muslin, cambrics, and lawns, and also the lace trimmings and embroidery.

50c Corset Covers. Loredale Cambric, V and square necks, trimmed with fine embroidery. Worth

79c Nightgowns.

Elsborately and beautifully embroidered and tucked yokes, neck and sleeves trimmed with extra fine Hamburg edging. The "Motiler Hubbard" style, only 79c. The materials are certainly worth considerably more than 70c. We reckoned the cost at \$1.37.

79c Chemises. Lorslale Cambric, square neck, all-over yeke of expensive embroidery. Trimmings on neck and sleeves to match. Should be \$1.50 instead of 70c each.

79c Corset Covers. Lonsdale Cambric. High, square, and V-shape necks. Finely tucked and embroid-ered. Never before sold so good for 98c. oon gone at 79c.

79c Drawers.

Lon-dale Cambric. Embroidered ruffle. A brist description of a garment equal to those usually offered at twice 70c. 79c Skirts. Tucked and embroidered cambric ruffled skirts. Generous width. All lengths. Finished in style of, and meant to be, a \$1.25 shirt instead of only 70c. The Window Display

Besides the wonderful 70c underwear you will also see garments at 98c and \$1.68 each that certainly must astonish you. Looking through class, and at a distance, does no do such goods justice. We want you to carefully and critically examine the seam with the berring-bone stitching. Notice the plat Val. laces, the embroideries, and the silk rithons with which the carments are trimmed. We wish you to do even moretry on any of the garments, for, remember perfect fitting underwear is not only essen tial to comfort and appearance, but also to durability.

Not in the Window

But on a counter to themselves you will find the gems of the collection. Generous wealth of materials and laces in each garment, but so fine that several may be packed in a hand valise; less than half prices for this underwear.
